

Dear golfing friends,

Prindis is delighted to participate with you in this magnificent event of the 39th ESGA Seniors Team Championship in Paris 2022.

We sincerely hope that you will have a great time on the Parisian greenfees.

Prindis is a company specializing in innovative gift and event packaging in cardboard or fabric. We offer you to design eco-designed bags and boxes that correspond to your brand image.

Actor of our planet, we offer products made from recycled or natural materials such as paper made from corn fiber, olive pits or 100% recycled kraft paper.

This commitment is also reflected in our partnership with the Coeur de Forêt association, which fights against deforestation. Thus, for any order of personalized products, we plant trees in your name to give back to the earth what we borrow from it.

The whole Prindis team wishes you an excellent moment of golf, sharing and relaxation.
