

Dear Golf friends,

Participating in the XXXIX ESGA Seniors Team Championship & Cup at RCF La Boulie Golf Club is without any doubt a special event from which you will keep many precious memories.

All golfers remember the courses they played, the extraordinary or less successful shots, but also the conditions in which all of this took place.

Golfers often say that a slow rhythm of play reduces their performance and often disrupts the organization (meals, prize giving).

Qondor is very pleased to be a partner and to make available to the ASSGF and the RCF La Boulie Golf Club, its Qadence solution allowing real-time monitoring of the pace of play for a better playing experience.

We wish you to enjoy this magnificent place, to have fun and to meet beautiful people.
